**Protest against Vietnamese occupation of  
Kampuchea**

The British Kampuchea Support Campaign seeks the support and  
co-operation of all those who stand for the right of the Kampuchean  
people to national independence and self-determination.

We believe that the minimum requirement for peace, independence and  
national progress in Kampuchea is the withdrawal of all foreign troops.  
We therefore condemn the Vietnamese invasion and occupation of  
Kampuchea and demand the immediate and unconditional withdrawal of  
Vietnamese forces.

We ask all those who believe in justice and in a nation's right to self-  
determination to support the Kampuchean people and their patriotic  
forces, who are fighting the Hanoi aggressors in order to regain their  
independence and decide their own future.
